### **COURSE DETAILS**

Each student will follow a programme offering a wide range of individual and team sports, ranging through winter and summer activities.

In Year 10, there is an opportunity for a limited number of students to study for the Level 1 Award in Sports Leadership. This course is ideal for students who wish to develop their leadership skills, which can be applied to a variety of sports and/or recreational situations, as well as contributing to the personal development of the student.

There are several clubs throughout the week, both during and after school, for students to attend.
