Dear Parent/Guardian

RE: CAREERS WEEK – 4TH MARCH TO 8TH MARCH 2019

As part of our ongoing commitment to ensure that all students in the school receive quality careers education and guidance, I am writing to let you know that we will be running a Careers Week from the 4th to the 8th March 2019. During the course of this week, all students will receive some subject specific guidance within their lessons, helping them to understand how each subject they study can lead into different career pathways. Throughout the week there will also be a range of employers and other outside speakers coming in to deliver sessions on specific career areas, plus guidance on apprenticeships and higher education.

In addition to the existing careers education programme within the school, the hope is that this concentrated, focused week will enable students to develop a clearer vision of what they may wish to do in their future working lives.

Further details of the programme will be communicated to students nearer the time, but in the meantime should you have any questions about the Careers Week, please do not hesitate to contact me.

Yours faithfully

Mr G Vigeon
Assistant Headteacher
