

Dear Parent/Guardian

As you may be aware, a group of students have been organising this year's leavers' prom on behalf of those in the current Year 11. We have managed to secure the venue, catering and entertainment and are now in a position to start to sell tickets. The tickets are priced at £33.00 per person and will include all catering for the evening.

The evening will be held at The Barnyard, Upchurch on **Wednesday, 19<sup>th</sup> June** and will start at 7:00 p.m. and finish at approximately 11:30 p.m. The price of the ticket includes entry, all food, entertainment and a photo booth which provides free prints (we are looking into prices of photographers).

Those wishing to bring guests can bring a 'plus one' at an additional cost of £33.00, but unfortunately we are unable to offer the 'plus one' to anyone in a year group lower than Year 11.

Payments can be made either in full or in instalments; however a deposit of £20.00 must be paid by Friday, 15<sup>th</sup> March, with the remainder due by Friday, 10<sup>th</sup> May. Once we have all payments by the final deadline, we will then be able to issue tickets. All payments can be made via the Fulston Manor WisePay system or cash/cheque at the School Finance Office.

We would like to say thank you at this point to Fulston Manor School in allowing us to sell the tickets through the School for this outside-of-school event.

Yours faithfully

**Fulston Manor School Prom Committee**
