

Train to Teach Information Evening

6th and 11th June 2019

Canterbury and Swale Teacher Training Opportunities

CASTTA

Canterbury and Swale
Teacher Training Alliance

If you are looking to change career into teaching or start teaching after completing your degree, talk to CASTTA about our exciting new training programmes that run in partnership with Canterbury Christ Church University.

Fulston Manor School is proud to be working with the newly formed Canterbury and Swale Teacher Training Alliance (CASTTA) that is now actively recruiting Primary and Secondary Trainee Teachers for a September 2019 start. View www.castta.org for further information.

In order to support those wishing to find out more information or who wish to apply, CASTTA is running two "Train to Teach" information evenings in early June. This will give further information regarding the programmes that we run, the schools and subjects where training places are available and offer help and support with applications, finances and how to gain experience in schools prior to application.

Swale Information Session:

Date: Thursday 6th June

Time: 18:30 – 20:00

Venue: Fulston Manor School, Sittingbourne, (sign in at main reception)

Canterbury Information session:

Date: Tuesday 11th June

Time: 18:00 – 20:00

Venue: Blean Primary School, Canterbury

Each session will run with a short presentation for the first 30 minutes, with the opportunity to talk to experts about your specific application and also cover the details for both primary and secondary programmes.

CASTTA is the organisation central to the application / training year, however Placements are available across a number of schools in the region – see our website for the latest updates of School Placements available. The organisations involved in this alliance have a long track record of successful Trainee Teacher support and training and prides itself on keeping trainee well-being at the heart of its programmes.

CASTTA is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Should you have any questions or require any help with prior to the events you are welcome to make contact with us:
