Dear Parent/Guardian

RE: APPRENTICESHIP INFORMATION EVENING – THURSDAY, 28TH NOVEMBER 2019

As part of our programme of careers education, I would like to invite you to attend an Apprenticeships Information Evening on Thursday, 28th November from 6:00 p.m. to 7:00 p.m. in the Millennium Hall. The purpose of the evening is to give parents the opportunity to find out more about the range of apprenticeships available in the modern workplace, so that they can better support students with their decision making. The presentation will be given by Rebekah Shaxted from ASK (Apprenticeship Support and Knowledge) which is supported by the National Apprenticeship Service.

The nature of apprenticeships in the modern workplace has been transformed in recent years, with a huge variety available to young people in terms of both level and industry, within Kent; Swale has been at the forefront of this transformation. For students leaving school at 16 and 18, apprenticeships can provide a real alternative to continued full-time education or employment and many students from Fulston Manor have successfully moved into an apprenticeship at the end of their time here.

Whilst it is aimed at parents, students are more than welcome to accompany you to this evening, which I hope will provide useful information on the range of apprenticeship choices available.

Yours faithfully

Mr G Vigeon
Assistant Headteacher
