Dear Parent/Guardian

RE: BLENDED LEARNING TIMETABLE – YEAR 10

As you are aware, schools will now be closed for an extended period of time so most students will be working remotely from home. To ensure high quality provision, we will now move to a modified lockdown timetable. This timetable incorporates more breaks, to ensure students and staff have the opportunity to move away from the computer screen to maintain their physical and mental well-being. We also need to staff our Key Worker provision on site, so this allows some flexibility with regards to not expecting staff to be in two places at the same time. In some cases, this schedule provides additional staff during live lessons to answer questions or cover absence if teachers are unwell.

Please be patient during these first few days as we switch to the new schedule, as there are likely to be a few teething problems. Some staff may have difficulty getting work ready for the first day of the new timetable so, again, your patience is appreciated.

The timetable for Key Stage 4 has been slightly altered in part, to ensure that live access is maintained throughout the lockdown. Students will be set blended learning for their option subjects according to their current timetable, but this may at times coincide with a live lesson. To compensate for this, students have additional independent study lessons during which they can complete any blended learning they have missed. English, Mathematics and Science will set blended learning on the periods indicated.

Other live lessons may be offered beyond those indicated, including during the workshop schedule from 3:00 p.m. until 4:00 p.m.

Year 10 - Remote Lesson Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Period 1 09:15 - 10:05	Block A Blended Learning <u>All History Students LIVE</u> <u>All Textile Students LIVE</u>	<u>All Students English LIVE</u>	Maths L / English R	Science L / Maths R	Block C Blended Learning <u>All Dance Students LIVE</u> <u>All Geography Students LIVE</u>

Head of School Mrs S P Burden, LLB PGCE
Executive Headteacher Mr A G Brookes, MA (Cantab)

2/

In response to concerns raised during the last closure, work will be uploaded on the day that the lesson would happen and be labelled with the day and the period it is allocated to. Students should be following their usual timetable and completing work for the subjects they would normally have that day. If it is not clear what work needs to be done, students should immediately contact their teacher, through ClassCharts, to ask for clarification.

A reminder that the chat function in ClassCharts is for the class teacher and the student. If you need to contact school, could you please email the appropriate member of staff and not use your child's ClassCharts account. This will enable concerns and queries to be quickly forwarded to the relevant staff. Teachers are being asked not to respond to parents via the student chat facility.

If your child is struggling to access school systems, they should log-on the remote desktop via the student icon at the very top of the school website. For further guidance go to the '[Working from Home](#)' section via the COVID-19 tab on the school website.

If you have any concerns about the quality of the lessons provided, or you find that your child is not getting the feedback and support needed, please contact the Head of Department and cc me mgash@fulstonmanor.kent.sch.uk or you can email me directly and I will forward your concern. I am confident that if we work together we can ensure that high quality work is provided during this closure, which enables your child to continue to successfully progress through the curriculum.

This may be a stressful time for you and your family. The NHS have produced a support package at <https://www.nhs.uk/oneyou/every-mind-matters/>; you will also find other support agencies on the COVID-19 tab of the school website, under '[wellbeing](#)'.

Please do not hesitate to contact the school if you need help or support.

With kind regards

Mrs M Gash
Deputy Headteacher
