Please note that several activities are water based, kayaking, open canoeing, sailing, Jet sk-ing...

Hopefully in July weather will be good to enable clothes to dry (communal washing line in our camp site) but just in case, students will need sufficient clothing (shorts & sweatshirts...)

- (i) Washing equipment, soap, shampoo, toothbrush, etc
- (j) Sorry, no electricity sockets for hair-driers / straighteners etc

N.B. The less that is brought beyond the minimum the better. We strongly advise against buying new and trendy clothes for the week. Old but comfortable clothes are advisable.

NO MOBILE PHONES may be brought

CAMERAS may be brought (at owner's risk)

NO I-PODS, MP3 PLAYERS

NO KNIVES are to be brought (apart from a table knife for meals)

2. FOOD AND POCKET MONEY

Would you **please provide a packed lunch for Monday**. Thereafter all meals are provided, including a cooked breakfast, sandwich or warm lunch, cooked evening meal and hot/cold drink & cake / biscuits after the evening activity. There will be a “tuck shop” open daily on the site.

Please do not let your son or daughter bring too much pocket money. We recommend a maximum of £10. The only need for pocket money is to purchase food from the tuck shop as all activities are on site. We do not operate a “Bank” so pupils must look after their own cash. Please bring money in small denominations. It is essential that students refrain from visiting other tents due to issues re theft etc.

3. BEHAVIOUR

The normal rules of behaviour of the school operate during the week, as on all school trips. Your child can gain the maximum from the week only if everyone behaves in a civilised and considerate fashion. We are particularly concerned about smoking as the camp site is vulnerable to such a fire risk. Anyone who is found with matches, lighters or cigarettes **WILL FACE IMMEDIATE SANCTIONS**.

We will not tolerate any anti-social behaviour. Anyone who cannot conform to the standards of behaviour we expect will not remain with us to spoil the week. It has seldom happened and we hope we shall not have to do so again.

4. CONTACT

It will not be possible for parents to telephone the campsite. Please telephone the school if there are any problems. We shall be telephoning the school each day from the camp so messages can be passed on then. **Please do not allow your son or daughter to bring mobile phones**. These are disruptive both to the safety of activities and to a good night's sleep! Phones **will** be confiscated and will not be returned to parents until we return.

5. MEDICAL AND DIETARY PROBLEMS AND PARENT CONTACT

It is vital that we have all relevant medical and dietary information along with your consent for your child to attend Year 9 camp. This information is of course treated confidentially. Please inform us of any changes.

If you have not already returned this form, please do so asap.

Many thanks
