SECTION 2: Suggestions on how to improve your understanding of the language.

- Phone: Put your phone into French/Spanish setting so that you can learn key vocabulary such as “send”, “received”, “search”...
- TV: When watching a movie (Netflix, Disney...) put the movie on French/Spanish audio with English subtitles (avoid putting French/Spanish subtitles as, annoyingly, the subtitled text does not always match the dialogues).
- Radio/music: Listen to French/Spanish radio and/or artists. Ask your teacher to inform you on the last hits (in France “Big flo et Oli” are very famous at the moment!).
- Speak French/Spanish to your teachers when you see them!
