Dear Parent/Guardian

RE: FULSTON FAMILY BLOG ISSUE 1 – FEBRUARY 2024

I am writing to thank you all for your support in addressing the issue of school uniform since our return after the half-term break. There has been a noticeable improvement across the school and this has ensured an even more positive learning environment for our students, with a significant reduction in the distraction incorrect uniform has for all concerned.

As I shared with you, when I wrote to you just before half-term, we believe wearing a school uniform helps to reinforce a message about high expectations and standards regarding conduct, behaviour and work ethic. It also gives a clear message in our community about the pride we take in our school and underpins our school values.

We are extremely proud of our students' achievements and the way in which they have engaged positively with our Fulston Family Values introduced this academic year. We are keen to share the positive achievements of students more often with parents and carers and will be doing so, by introducing our **Fulston Family Blog** with the intention of this being published on a weekly basis via the school's website and our social media channels.

Alongside events which have taken place during the course of the week, we will also share updates on the collective points students have been awarded for each of our Fulston Family Values. This week alone, students have achieved at the time of writing to you, a total of 7,244 points. This is an incredible achievement for our students and continues to demonstrate a school in which everybody matters, everybody succeeds and everybody helps.

For the past week, our Fulston Family values totals are:

1748

2665

987

1472

125

247

For further information and a reminder of what each of our Fulston Family values mean, please visit: [Fulston Manor School - Our Fulston Family Values](#)

We continue to work to ensure that all members of the Fulston Family uphold the vision and values of our school and actively engage in the community in a positive way.

Thank you for your on-going support and working with us in the best interests of the students and community we serve.

Yours faithfully
