

FULSTON FAMILY BLOG

EDITION #2 01/03/24

*"If we show **fortitude**, have high **ambitions** and are **mindful** of ourselves and our community, show **integrity** and **leadership** skills, together we can make great young citizens of the Fulston Family"*

It's been another busy week at Fulston Manor, with much to celebrate. Here are just a few of the achievements of our students this past week.

Year 11: Pre-Public Examinations

Since returning after the February Half-Term break, Year 11 have embarked upon a last round of pre-public examinations in their core subjects.

With only a matter of weeks until they sit their public examinations, this was a final opportunity for students to demonstrate the progress they have made so far.

Students all coped admirably with the process and it was clear that since their

previous pre-public examinations in November that they have been making every effort to take personal responsibility for improving their grades and outcomes overall. They are all working incredibly hard and deserve praise for the way in which they have applied themselves. We wish them all the best as they enter the final stages of their courses, practical examinations and revision.

Literacy Skills Development

We would like to thank parents and carers for your continued support with students completing their literacy planet missions and encouragement to read at home, including accelerated reader books in KS3. As a result, of this focus we have seen a significant improvement in students reading ages across the school, which will provide students even greater access to their learning and ensure they are able to access texts in line with their chronological age.

Rewards Store:

Students can redeem points achieved in our ClassCharts Rewards Store. So far this academic year, students have redeemed a staggering **226,750** points.
