An important decision...

- Where you join depends a great deal on the courses you want to study and the environment that suits you best
- You get to choose subjects that you are inspired by
- You may be in a familiar and supportive environment. But for some students, a change can be beneficial
- Consider all possible options. Discuss with friends, parents/carers, teachers, siblings, current sixth formers and careers advisors

The step-up to Sixth Form

- You take on more responsibility for your own progress
- Independent Study time to develop your study skills
- Signing out privileges
- Group sizes are generally smaller
- A dress code - not a uniform
- More privileges – more demands – more success!

What can we offer you?

- Wide range of course subjects and types
- Support with UCAS applications, careers and progression planning
- Volunteering opportunities
- Sixth Form Pastoral Team to support you throughout your studies
- Fantastic social experiences
- Excellent facilities
- Enrichment

Sixth Form Qualifications

GCE Advanced Level 3 (or equivalent), completed over Year 12 and 13:

Fine Art | Biology | Business Studies | Chemistry | Computing
English Literature | Film Studies | Financial Studies** | Geography
Health & Social Care | History | IT | Law | Mathematics | Music
Performing Arts | Photography | Politics | Psychology
Religious Studies | Sociology | Sport | Textiles | Three-Dimensional Design
EPQ* | Core Mathematics*

+ Subjects on offer through our partnership with Borden and Highsted Grammar Schools

*Courses to be taken along with three full Level 3 qualifications

**Subject to ratification - will only run if course gets approved

How do we support your transition?

- Having a clear **Vision** of what you want to do in your future.
- A lot of **Effort** is needed to complete an A level programme – how much will you put in?
- It is important to find out your own **System** to help you succeed. Where do your priorities lie?
- **Practice** focuses on what to do with the time that you spend working. If you get that right, you are on the way to success.
- Being able to cope with the challenges of Sixth Form life with resilience and a positive **Attitude** is so important. You need to be willing to make mistakes to know that you are challenging yourself and therefore improving.

What might your day look like?
