Hello everyone,

I am Ms Hadok-Quadrio, teacher of Performing Arts and head of Cromer house. I am a passionate Music teacher and think it's one of the most excellent ways we can communicate to others. On 17th October, it is World Singing Day. It's a chance for everyone to enjoy using their voice with no fear of judgement, and celebrate our global commonalities through the international language of music. I truly believe every child should have the chance to experience all forms of art (visual, audible, or otherwise) as it's one of the endeavours that truly shapes our identity, culture, and personality. In your teens, you discover music that becomes part of your personality for years to come. We run a choir at Fulston and all are welcome to join, regardless of experience.

So, on the 17th, please pick your favourite song and raise your voice to a more connected and musical society!

More information can be found here:

Yours in Music,

Big Future Survey

We are sharing the following urgent message with you on behalf of Dame Rachel de Souza, Children's Commissioner for England:

"With less than two weeks until The Big Future survey closes, I am reaching out to ask for your support in making one final effort to ensure your child's voice is heard. The Big Future is my final national survey of children and young people as Children's Commissioner for England. It is a vital opportunity for your child to tell me what matters most to them, what they hope for their futures, and what they believe needs to change in our country. We want to hear from children in every part of England, from every background, and of all ages. We cannot achieve that without your help."

💡 How You Can Help at Home

The survey takes just a short time to complete, and taking part together is a great way to talk to your child about their ambitions, worries, and ideas:

- Take it together: Sit down with your child and guide them through the quick online survey.
- Encourage independent completion: Older children and teenagers can easily complete it on a phone, tablet, or computer.
- Spread the word: Share the link with other parents and carers in your community.

Year 9 Safety Roadshow-Keeping our Students Safe

Last week, our Year 9 students had the fantastic opportunity to take part in a Safety Roadshow, welcoming Kent Police and representatives from a range of partner organisations into Fulston Manor School. Students participated in valuable discussions covering important topics such as online safety, the dangers of substance misuse, knife crime and healthy relationships.

The event brought together the Kent and Medway Violence Reduction Unit, KCC Social Services, the Metanoia Project, Home-Start and Stagecoach, all sharing their expertise and practical advice.

It was an incredibly worthwhile experience, providing students with invaluable knowledge to help them make informed choices, recognise risks and keep themselves and others safe.

A huge thank you to all the organisations involved for supporting the safety and wellbeing of our young people.

School Uniform Expectations Wearing Our Uniform with Pride

Dear Parents/Carers and Students,

At Fulston Manor School, we have high expectations regarding school uniform and expect all students to wear it correctly and with pride.

We have provided students who choose to wear skirts with several opportunities and reminders to ensure that they are worn appropriately and in accordance with our school uniform policy.

! Moving forward, where students repeatedly fail to meet these expectations, despite reminders and opportunities to correct their uniform, we will require them to wear school trousers instead of a skirt.

We ask for the continued support of parents and carers in reinforcing these expectations and ensuring that students arrive at school wearing their uniform correctly.

Thank you for your cooperation and support in maintaining the high standards we expect from all members of our school community.

Please ensure:

- ✓ Skirts are unrolled and not folded.
- ✓ The waistband is showing and worn at the waist.
- ✓ The skirt is level with the top of the knee.
- ✓ The skirt is worn neatly.

Year 11 Bring Ethics to Life in Expert Panel Debate

Year 11 students today took part in an engaging ethical debate exploring the question: "Should people have the right to choose when and how they die if they are suffering from a terminal illness?"

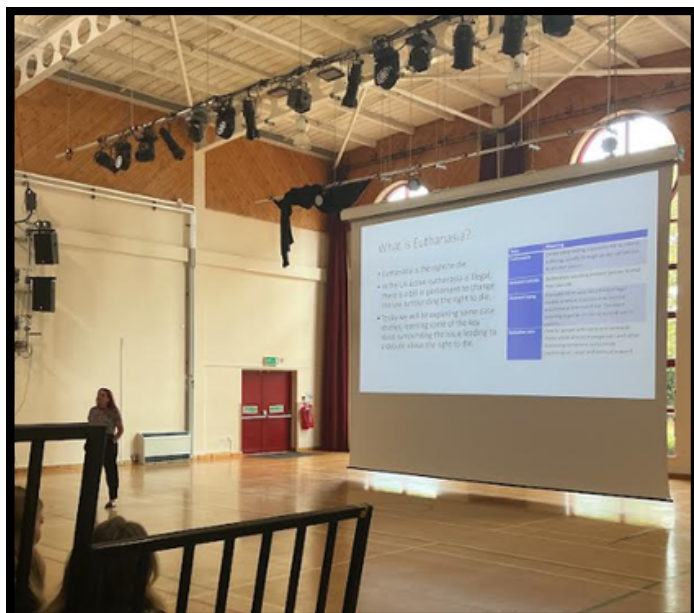

The event brought learning beyond the classroom, giving students the opportunity to explore a complex and important ethical issue from a range of perspectives. Two students from each class volunteered to represent their peers on an expert panel, considering arguments relating to individual rights, compassion and dignity, Christian ethics, the law and safeguarding, and the role of medicine and palliative care.

Students demonstrated real interest in the topic, contributing thoughtful questions and engaging with different viewpoints. The panel format encouraged them to think critically, justify their opinions and consider the strengths and weaknesses of arguments that challenged their own.

It was fantastic to see so many students engaged in the discussion, with a number keen to participate and share their perspectives. The event highlighted the importance of respectful debate, independent thinking and the ability to approach challenging moral questions with maturity and empathy.

Well done to all of our Year 11 students, particularly those who stepped forward to represent their classes on the expert panel!

Impressing the Experts: Year 11 Mock Interview Success!

On Wednesday 14th October, our Year 11 students took a significant step toward their future careers as they participated in our annual Mock Interview Day. Facing real-world workplace scenarios can be a daunting experience, but our students rose to the occasion with remarkable composure, poise, and confidence.

Throughout the day, students demonstrated incredible determination and professionalism. They came thoroughly prepared, spoke eloquently about their strengths and ambitions, and embraced the challenge head-on.

We were delighted by the glowing feedback from our visiting employers and volunteers. Across all industries represented, the interviewers expressed how deeply impressed they were with the students' attitude, readiness, and maturity. For many employers, the caliber of our Year 11 cohort made a lasting impression.

Next Steps & Feedback

- **For Students:** Personalised written feedback will be shared with students in due course to help them identify key strengths and areas for growth as they prepare for future college, apprenticeship, or job interviews.
- **For Parents & Carers:** Parents will be able to view and review their child's detailed interview feedback through their **Unifrog** account once results are published.

We Want to Hear From You!

To help us continually improve our careers programming and events, we would greatly appreciate feedback from both students and parents/carers:

[Parents can complete feedback here](#)

A huge thank you to all the local business leaders, employers, and staff who gave their time to make this day such a resounding success—and a massive well done to Year 11!

Introducing our new JLT

We are delighted to announce the Junior Leadership Team for 2026-27. The JLT is made up of students across year 11, 12 and 13 who have been nominated by their pastoral teams for their excellent communication skills with both peers and adults, their care for their school community and their authentic experiences of secondary school; each one has been praised in their time as an advocate for others.

Within this role, they will lead on Student Voice, ensuring the ideas and feedback of their fellow students is heard. They will run impactful projects for both the school and or wider community and most crucially, they will serve as the bridge between students and Senior Leaders at the school.

Please do congratulate them, we look forward to seeing what they can do:

Scarlett B, Charlie O, Roxanne A, Austin R, Emily U, Jack G, Cherish G, Theo S, Katie G, Harry S & Lauren S.

Week Reflection – Leadership through Readiness

Last week's focus was **Leadership through Readiness**. Pupils explored how leadership is shown through being organised, prepared and ready to learn. Strong leaders set the tone by arriving equipped, starting promptly, staying focused and helping others to be ready too. It was encouraging to see pupils showing leadership in their routines, conduct and contribution across the school community.

Looking Ahead – Young Citizen through Safety

Next week's focus will be **Young Citizen through Safety**, linked with **Red Card to Racism**. Pupils will explore how being a good citizen means standing together against racism, making others feel safe and included, speaking up or reporting concerns, and helping create a respectful, welcoming school community.

This Week's Challenge: Young Citizen + Safe

250+

Young Citizen Points
per year group

3,800+

Total Values Points
per year group

Any year group that meets both targets will earn 10 bonus points per pupil.

Reminder

Small safe actions make a big difference. This week we want pupils to show they are thoughtful young citizens by helping others, noticing risks, making positive choices and representing Fulston Manor proudly.
